Licensed Acupuncturist in the State of New Jersey, License # NCCAOM#7377, 1999-2000

Bachelor of Science in Psychology, San Diego State University, San Diego, CA, 1998

SELECTED POST-GRADUATE EDUCATION, CERTIFICATIONS AND DIPLOMATES

Open Focus/Brain Synchrony Certification. *One on One training with Les Fehmi, Ph.D. on the key concepts, principles and strategies of Open Focus™ Training. Key concepts of using Open Focus method of attention training in conjunction with his neurosynchrony training equipment, training and experiencing multiple sessions of 5-Channel brain synchrony training. The objectives are to demonstrate how OPEN FOCUS and synchrony training alleviate symptoms, dissolve uncomfortable experience and introduction to Synchrony Training and Equipment. The utilization of neurofeedback equipment is performed that trains two or more participants to produce whole head, phase synchronous brain waves in tandem. OPEN FOCUS training is also incorporated with Dr. Fehmi's verbally guided exercises, without using instrumentation, and with emphasis on dissolving physical and emotional pain, theory of Open Focus Attention, Open Focus Applications and Transfer of Open Focus to everyday life. SEMINAR AUTHOR: Dr. Les Fehmi, PHD, Los Angeles, CA 2014*

NLP Practitioner Certification. *Key concepts, principles and strategies of NLP. Overview and understanding NLP History, Levels, Principals, Setting Outcome, Presuppositions, the NLP Model of communication and focus, Cause and Effect, Sensory Acuity, Rapport, Representational Preferences, Eye Patterns, Submodalities, Swish Patterns, Language mastery, Persuasive Language, Meta Model, Anchoring, Handling States, Change, Milton Model, Behavior Psychology and stimulus, Strategy Elicitation, Chunking, Recipes for success, Forgiveness Process, Reframing, Parts integration, Pacing, Strategies: (love, logic, decision), Repatterning, Future Communication Needs, Definitions, Modeling, Resources for success, Outcome Training, Reason vs Results and Quantum Linguistics. American Union of NLP. Los Angeles, CA 2013*

NLP Master Practitioner Certification. *Advanced key concepts, principles and strategies of NLP. An in-depth understanding of treatment protocols and procedures in submodality distinctions, Instant trance inductions, Waking hypnotic patterns, Embedded commands, Using metaphors for deep trance marking, Nested loops for waking trance, Rapid strategy elicitation for modeling and change, Linguistic installation patterns, Values and belief elicitation for selling, Covert Meta program utilization mastery, Advanced modeling skills for success, Changing beliefs subconsciously, Covert change patterns, Time distortion patterns, Love strategies, Use nature to create metaphors, Future pacing for long term success, Accelerated learning - mind mapping.* American Union of NLP. Los Angeles, CA 2013

Mastering Brain Chemistry™ *A review the key concepts of brain chemistry, recognize patterns of imbalances, recognize cases that may need to be referred for further consult or evaluation, and improve overall clinical competency in neurochemical assessment and neurodegeneration. A review of brain neurochemistry and neurodegenerative disorders will be followed by clinical insights and jewels.*

Topics include: Critical evaluation of neurotransmitter testing. A review of neurodegenerative mechanisms related to alpha-synuclein, betaamyloid, tau proteins, etc. The association between mitochondrial uncoupling and neurodegenerative disease. Nitric oxide isomer expression and its role in neuroprotection and neurodegeneration. The blood glucose connection to the brain and its degeneration

The brain-gut axis and the brain-immune axis. The role of dietary peptides and gluten sensitivity in neurological disorders. Dietary, nutritional, and lifestyle strategies to support the brain

SEMINAR AUTHOR: Dr. Datis Kharrazian, DC, DHSc, MS, MNeuroSci, FACFN, FABVR, FAACP, DACNB, DABCN, DCBCN, DIBAK, CNS, San Diego, ca 2013

Neurodiagnostics, Imaging Protocols and Pathology of the Trauma Patient, *An in-depth understanding of the protocols in triaging and reporting the clinical findings of the trauma patient. Maintaining ethical relationships with the medical-legal community.* CMCS Post Doctoral Division, Long Island, NY, 2011

Diagnostics, Risk Factors, Clinical Presentation and Triaging the Trauma Patient, *An extensive understanding of the injured with clinically coordinating the history, physical findings and when to integrate neurodiagnostics. An understanding on how to utilize emergency room records in creating an accurate diagnosis and the significance of "risk factors" in spinal injury.* CMCS Post Doctoral Division, Long Island, NY, 2011

Crash Dynamics and Its Relationship to Causality, *An extensive understanding of the physics involved in the transference of energy from the bullet car to the target car. This includes G's of force, newtons, gravity, energy, skid marks, crumple zones, spring factors, event data recorder and the graphing of the movement of the vehicle before, during and after the crash. Determining the clinical correlation of forces and bodily injury.* CMCS Post Doctoral Division, Long Island, NY, 2011

MRI, Bone Scan and X-Ray Protocols, Physiology and Indications for the Trauma Patient, *MRI interpretation, physiology, history and clinical indications, bone scan interpretation, physiology and clinical indications, x-ray clinical indications for the trauma patient.* CMCS Post Doctoral Division, Long Island, NY, 2011

Neurodiagnostic Testing Protocols, Physiology and Indications for the Trauma Patient, *Electromyography (EMG), Nerve Conduction Velocity (NCV), Somato Sensory Evoked Potential (SSEP), Visual Evoked Potential (VEP), Brain Stem Auditory Evoked Potential (BAER) and Visual-Electronystagmography (V-ENG) interpretation, protocols and clinical indications for the trauma patient.* CMCS Post Doctoral Division, Long Island, NY, 2011

Documentation and Reporting for the Trauma Victim, *Understanding the necessity for accurate documentation and diagnosis utilizing the ICD-9 and the CPT to accurately describe the injury through diagnosis. Understanding and utilizing state regulations on reimbursement issues pertaining to healthcare.* CMCS Post Doctoral Division, Long Island, NY, 2011

Documenting Clinically Correlated Bodily Injury to Causality, *Understanding the necessity for accurate documentation, diagnosis and clinical correlation to the injury when reporting injuries in the medical-legal community. Documenting the kinesiopathology, myopathology, neuropathology, and pathophysiology in both a functional and structural paradigm.* CMCS Post Doctoral Division, New York State Education Department, Long Island, NY, 2011

Biomedical Acupuncture for Sports and Trauma Rehabilitation Dry Needling Techniques, *An in-depth understanding of treatment protocols and procedures for sports and trauma rehabilitation, Using dry needling acupuncture for preventing injury and enhancing athletic performance, Advanced principles of treating soft-tissue dysfunction in injuries, Preventive*

and therapeutic treatment of injuries in selected sports, Safety Issues in dry needling acupuncture practice, Biomedical Acupuncture Institute, Boulder, CO, 2011

Diplomate in Oriental Medicine, National Certification Commission for Acupuncture and Oriental Medicine, 2011

Case Presentations, Evaluation, Treatment and Outcomes, *Concepts of minimally invasive spine surgery vs. open surgery, identification of surgical interventions for orthopedic spine problems, identification of cost saving benefits of early return to work, reviews in an interdisciplinary setting, identification of work claimants who would benefit from prospective and retrospective case reviews*. Alvarado Hospital, San Diego, CA, 2011

Understanding the Mechanisms of Acupuncture to Enhance Clinical Outcomes, *Physiological basis of needling therapy*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2010

Acupuncture from the Nei Jing for Fantastic Clinic Results, *Translations of Chinese principles into biomedical understanding*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2010

Outpatient Minimally Invasive Spine Surgery, *The surgical intervention and post op needs of the patient*. Alvarado Hospital, San Diego, CA, 2010

Advantage of Minimally Invasive Spine Surgery in Return to Work & Sports, *minimally invasive spine surgery compared to traditional surgical procedures*. Alvarado Hospital, San Diego, CA, 2010

Regenerative Joint Injections, *Physiological understanding, advantages and procedure of therapy*. Alvarado Hospital, San Diego, CA, 2010

Minimally Invasive Spine Surgery and Cutting Edge Technology, *Advantages in relation to recovery phase*. Alvarado Hospital, San Diego, CA, 2010

Advantages of Referring Work Comp Claimants to an Interdisciplinary Spine Institute, *Multidisciplinary approach in providing patient centered care*. Alvarado Hospital, San Diego, CA, 2010

Neurological Testing and Sexual Dysfunction, *Statistics and understanding diagnostic testing in the treatment of sexual dysfunction*. Alvarado Hospital, San Diego, CA, 2010

Chronic Stress, Depression and Fatigue, *Utilization of herbal medicine and needling therapy and diagnostic procedures in the treatment of chronic stress, depression and fatigue*. Lotus Institute of Integrative Medicine. San Diego, CA, 2010

Biomedical Acupuncture for Pain Management- Dry Needling Techniques, *Physiological basis of needling therapy, techniques, trauma condition treatment strategies*. Biomedical Acupuncture Institute, Boulder, CO, 2009

Acupuncture Orthopedics, *Physical examination, assessment, orthopedic provocative maneuvers in the diagnosis of orthopedic conditions, conditions treated with acupuncture*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2009

Herb-Drug Interactions & Herbal Alternatives to Drugs, *Common interactions of drugs and herbs, case studies and red flags*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2009

Personal Injury Practice for Acupuncturists, *Acupuncture therapy in the personal injury system and how it is best utilized for the best patient outcome*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2008

Essentials of Treating Workers Compensation Patients, *Acupuncture therapy in the work comp system and how it is best utilized for the best patient outcome*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2008

Complex Regional Pain Syndrome, *Understanding neuropathic pain, fibromyalgia, reflex sympathetic dystrophy, needling strategies and multidisciplinary approach*. Ted Priebe, OMD, Torrance, CA, 2008

Zhu's Scalp Acupuncture, *Utilizing needling therapy for neurological conditions*. Lotus Institute of Integrative Medicine, Los Angeles, CA, 2007

Advanced Principles of Functional Endocrinology, *Complex endocrine interactions in the larger context of patient complaints. Research of nutritional cofactors in the treatment of these functional imbalances.* University of Bridgeport College of Chiropractic, San Diego, CA, 2006

Board Certified, Qualified Medical Evaluator, Division of Workers Compensation for the State of California, 2006

AMA Guides to the Evaluation of Permanent Impairment 5th Edition, *Understanding the components of writing a permanent and stationary report based on the AMA Guides 5th edition.* Livingston-Lopez Consulting. San Diego, CA, 2005

Acupuncture Orthopedics, *Physical examination and therapeutic intervention using needling therapy and exercise rehabilitation.* South Baylo University, Anaheim, CA, 2005

Functional Endocrinology, *Endocrine processes, up to date research on nutrition and herbal medicine for chronic hormone problems.* University of Bridgeport College of Chiropractic, Albuquerque, NM, 2005

Functional Blood Chemistry Analysis, *Blood chemistry markers, functional patterns and up to date research of nutritional cofactors used in treating conditions.* University of Bridgeport College of Chiropractic, San Diego, CA, 2005

Classical Internal Medicine from the Huang Di Nei Jing, *Principles and practices of the Yellow Emperor's Classic and how it translates into today's medicine.* South Baylo University, Anaheim, CA, 2005

Evidence Based Oriental Medicine Treatment Guidelines, *The national recognized acupuncture guidelines 2004 within the multidisciplinary model.* Kendall Institute, Anaheim, CA, 2005

Board Certified Nutrition Specialist, Certification Board for Nutritional Specialists, American College of Nutrition, Long Beach, CA, 2004

Human Nutrition Review Course, *Biochemical processes of nutritional therapy.* The American College of Nutrition Continuing Nutrition Education Program, Long Beach, CA, 2004

Acupuncture Orthopedics Module 9, *Utilizing an assessment and needling therapy along with functional restoration exercises.* Kendall Institute, San Jose, CA, 2004

Acupuncture Orthopedics Module 8, *Physiological components of needling therapy, tissue reaction, blood coagulation and immune compliment mechanisms and how it relates to Chinese medicine orthopedics.* Kendall Institute, San Jose, CA, 2004

Acupuncture Orthopedics Module 7, *Assessment and treatment of head, neck and scapula.* Kendall Institute, San Jose, CA, 2004

Acupuncture Orthopedics Module 6, *Assessment and treatment of shoulder and upper extremities.* Kendall Institute, San Jose, CA, 2004

Acupuncture Orthopedics Module 5, *Assessment and treatment of lower extremities.* Lerner Education, Cedars-Sinai Medical Center, Los Angeles, CA, 2004

Acupuncture Orthopedics Module 4, *Assessment and treatment of systemic disorders.* Lerner Education, Cedars-Sinai Medical Center, Los Angeles, CA, 2004

Acupuncture Orthopedics Module 3, Disability Evaluation and Narrative Report Writing, *Breakdown and understanding of the elements of an admissible report for California's workers compensation system.* Lerner Education, Cedars-Sinai Medical Center, Los Angeles, CA, 2003

Acupuncture Orthopedics Module 2, *How acupuncturists need to perform disability evaluation and narrative report writing.* Lerner Education, Cedars-Sinai Medical Center, Los Angeles, CA, 2003

Acupuncture Orthopedics Module 1, *Acupuncture therapy in workers compensation, including modalities accepted, ICD-9, and challenges in authorization for care.* Lerner Education, Cedars-Sinai Medical Center, Los Angeles, CA, 2003

Cardiovascular, *Nutritional cofactors and herbs for cardiovascular conditions*. International Foundation for Nutrition & Health, Sherman Oaks, CA, 1999

Blood Sugar, *Nutritional cofactors and herbs for blood sugar conditions*. International Foundation for Nutrition & Health, Sherman Oaks, CA, 1999

Musculo-Skeletal, *Nutritional cofactors and herbs for musculoskeletal conditions*. International Foundation for Nutrition & Health, Sherman Oaks, CA, 1999

Immune/Allergy, *Nutritional cofactors and herbs for cardiovascular conditions*. International Foundation for Nutrition & Health, Sherman Oaks, CA, 1999

Endocrine and Female Hormone Dysfunction, *Nutritional cofactors and herbs for cardiovascular conditions*. International Foundation for Nutrition & Health, Sherman Oaks, CA, 1999

Diplomate in Acupuncture, National Certification Commission for Acupuncture and Oriental Medicine, 1996

Diplomate in Chinese Herbology, National Certification Commission for Acupuncture and Oriental Medicine, 1996
